

### Sequencing the Story- Receptive

*\*Can be used for older grades or any student who can read/would benefit from practice reading!*

**Instructions:** Cut out the following events from the story and ask the child to arrange them in the correct order.

#### Events:

1. Molly and her friends find the perfect spot for the tent.
2. Molly meets Ben the Beaver and Anna the Alpaca at the edge of the forest.
3. Molly and her friends sit around the campfire and roast marshmallows.
4. Molly packs her bag with a sleeping bag, a jacket, and a flashlight.
5. Molly and her friends walk into the forest to look for a good camping spot.
6. Molly, Ben, and Anna set up their tent.

7. Molly and her friends wake up and go on a nature walk to see animals.
