

Color Molly the Mink's fur brown and color her backpack pink.

Color Ben the Beaver's body dark brown and his flat tail gray.

Color Anna the Alpaca white or tan with pink shoes.

Color the campfire logs brown and the flames red, orange, and yellow.

Color the grass green all around the animals.

Color the trees in the background with brown trunks and green leaves.

Make the sky light blue with a big yellow sun in the corner.

Color the tent blue or your favorite color.

Give the animals fun sock or shoe colors—get creative!

Add little flowers in the grass using any bright colors you like.

Coloring Directions with Temporal Concepts

1. Before you color the animals, color the grass green.
2. After you color the tent, color the trees.
3. First, color Molly the Mink. Then, color Ben the Beaver.
4. Next, color Anna the Alpaca's backpack pink.
5. Before you color the sky, color the sun yellow.
6. After you color the campfire, color the logs brown.
7. Color the flowers in the grass after you finish the animals.
8. Then, color the animals' eyes black.
9. Before coloring anything else, color the tent your favorite color.
10. After everything else is colored, add blue to the sky.
