

# Molly's Forest Surprise

Molly the Mink wakes up and says, "What a great day! I love camping!"  
Ben the Beaver and Anna the Alpaca come out of their tents.

They eat apples and muffins before packing their bags.

Molly says, “Let’s follow the path to the lake!”

Suddenly, the path is gone! “Oh no,” says Anna. “Where is the trail?”

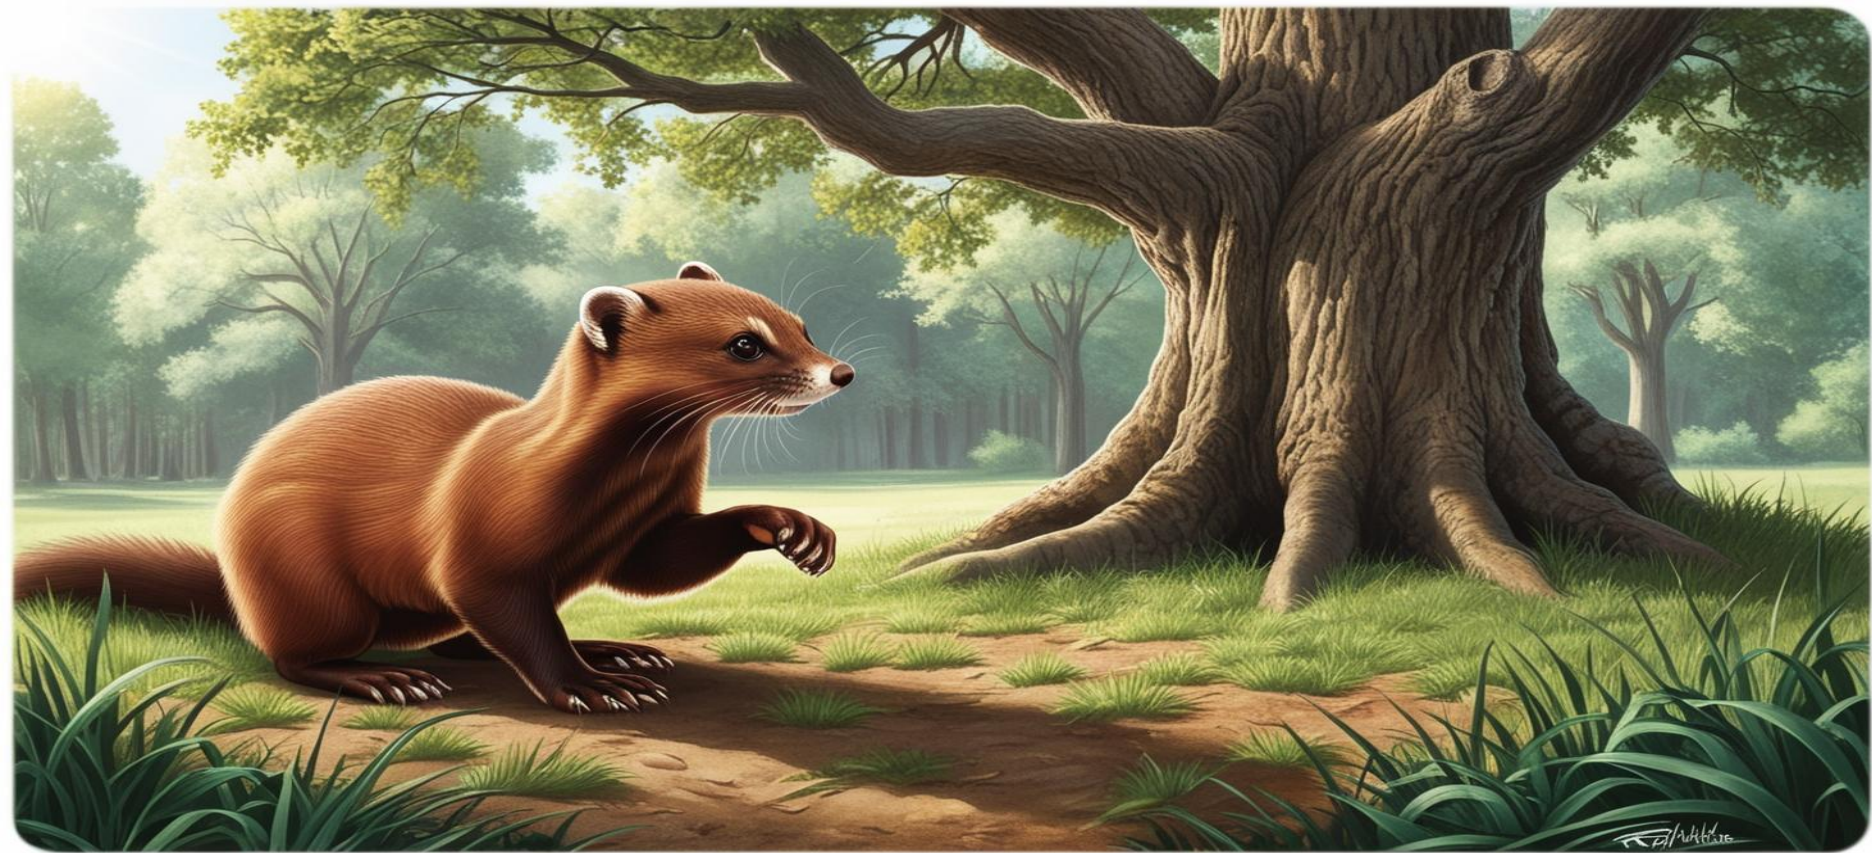

Molly says, “Don’t worry. We can fix this!” Ben points, “I see footprints! Let’s follow them.”

“I know this tree!” says Molly. “We are close!”

They finally see the lake in the distance. “We made it!” shouts Ben.

Molly says, “We stayed calm and worked together.” “Next time, we can bring a map!” says Anna.

They roast marshmallows and enjoy the evening. Even with surprises, camping was still the best.
